ABOUT TAMBO FARM

The seeds for Tambo Farm were planted from a childhood dream by an animal lover who discovered she also enjoyed hosting and creating special experiences for people.

Originally a property that was devastated by bushfires, creating Tambo Farm was a labour of love supported by a lot of hard work. Today we're delighted to share the fruition of our dream with you.

Our 97 acre property is in Darraweit Guim on the edge of Victoria's Macedon Ranges. We're a working hobby farm with cattle and sheep and a small paddock we call our petting zoo with our friendly animal family who'll welcome your attention.

Our function centre, Tambo Shed, opened in April 2023, providing a private and unique space for weddings, bespoke events and celebrations.

We're a family business and work with a small passionate team who are devoted to providing all our guests with a personal experience.

We look forward to warmly welcoming you to Tambo Farm, and helping you create wonderful experiences and meaningful memories!

TAMBO SHED

Our function centre, Tambo Shed, has floor to ceiling windows, a polished concrete floor, and is filled with thoughtful touches that pay homage to our love for animals and life on the farm.

From reindeer antler (imitation) chandeliers and lights, a coat rack with hare hooks, to a crow holding a light globe in its beak, you'll find Tambo Shed warm and inviting as well as stylish and modern.

The room can be arranged to suit your preferences. We provide long trestle tables that each seat up to 12 people, white Americana chairs, wine barrels for standing areas and stools.

Tambo Shed is a versatile space that requires very little styling for your dream wedding. If you do have a specific decorating idea in mind, you're welcome to bring it to life in Tambo Shed.

We offer a bar and provide drinks and full service and event management for your wedding. There's on-site parking for 100 cars.

We also offer luxury boutique accommodation, The Barn, and this is included in your wedding package.

CEREMONY

Celebrate your love and commitment to one another in the beauty and peacefulness of nature, overlooking stunning vistas and a glistening dam.

This private, intimate space with festoon lights hanging from above is the perfect place to say “I do” and be celebrated by your loved ones and friends.

Wet weather option: The ceremony will be set up in Tambo Shed’s undercover courtyard, allowing you to still take advantage of the stunning views overlooking the hills.

We include:

- Set up and pack down
- White Americana chairs
- Arbour
- Red carpet for the aisle
- Signing table and chairs

You will have exclusive access to Tambo Farm and Shed for the entire day of your booking. Your ceremony can take place any time of the day.

If you'd like to do some of the set up yourself, such as decorations, you're welcome to arrive early.

For photos our whole farm is available to you (except our private residence). If you'd like to include any of our animals in your photos you're welcome!

AFTER THE CEREMONY

After the ceremony, while the newlyweds are having photos taken, guests will be welcomed inside Tambo Shed to enjoy drinks.

Guests can purchase from the bar at their own cost or you're welcome to set up a bar tab to the value of your choice.

For drinks after the ceremony we include:
