ABOUT TAMBO FARM

The seeds for Tambo Farm were planted from a childhood dream by an animal lover who discovered she also enjoyed hosting and creating special experiences for people.

Originally a property that was devastated by bushfires, creating Tambo Farm was a labour of love supported by a lot of hard work. Today we're delighted to share the fruition of our dream with you.

Our 97 acre property is in Darraweit Guim on the edge of Victoria's Macedon Ranges. We're a working hobby farm with cattle and sheep and a small paddock we call our petting zoo with our friendly animal family who'll welcome your attention.

Our function centre, Tambo Shed, opened in April 2023, providing a private and unique space for weddings, bespoke events and celebrations.

We're a family business and work with a small passionate team who are devoted to providing all our guests with a personal experience.

We look forward to warmly welcoming you to Tambo Farm, and helping you create wonderful experiences and meaningful memories!

TAMBO SHED

Our function centre, Tambo Shed, has floor to ceiling windows, a polished concrete floor, and is filled with thoughtful touches that pay homage to our love for animals and life on the farm.

From reindeer antler (imitation) chandeliers and lights, a coat rack with hare hooks, to a crow holding a light globe in its beak, you'll find Tambo Shed warm and inviting as well as stylish and modern.

The room can be arranged to suit your preferences. We provide long trestle tables that each seat up to 12 people, white Americana chairs, wine barrels for standing areas and stools.

Tambo Shed is a versatile space that requires very little styling for your dream wedding. If you do have a specific decorating idea in mind, you're welcome to bring it to life in Tambo Shed.

We offer a bar and provide drinks and full service and event management for your wedding. There's on-site parking for 55 cars.

We also offer luxury boutique accommodation, which is included in your wedding package.

CEREMONY

Celebrate your love and commitment to one another in the beauty and peacefulness of nature, overlooking stunning vistas and a glistening dam.

This private, intimate space with festoon lights hanging from above is the perfect place to say “I do” and be celebrated by your loved ones and friends.

Wet weather option: The ceremony will be set up in Tambo Shed’s undercover courtyard, allowing you to still take advantage of the stunning views overlooking the hills.

We include:

- Wedding Coordinator to manage your ceremony and reception
- Set up and pack down
- White Americana chairs
- Arbour
- Red carpet for the aisle
- Signing table and chairs

You will have exclusive access to Tambo Farm and Shed for your booking.

Ceremonies are at 4pm, to take advantage of the best light for your photos and ensure a flow that works best for your reception. If you'd like an earlier ceremony please let us know.

If you'd like to do some of the set up yourself, such as decorations, and can arrive early to do that.

For photos our whole farm is available to you (except our private residence).

We're pet friendly! You're welcome to have your precious pets in your ceremony at Tambo Farm, including horses (we're a farm, after all!)

We also offer:

- Recommended suppliers, who are fantastic at what they do and 100% reliable, to make your wedding planning easy and stress-free
- Generous bump in and bump out times for suppliers
- Easy to understand pricing with no hidden extras

AFTER THE CEREMONY

After the ceremony, while the newlyweds are having photos taken, guests will be welcomed inside Tambo Shed to enjoy drinks.

Guests can purchase from the bar at their own cost or you're welcome to set up a bar tab to the value of your choice.

For drinks after the ceremony we include:
